OF THE

NEW-ENGLAND HISTORIC, GENEALOGICAL SOCIETY,

JANUARY 1, 1877.

NOTE.—In this List of Members, the dates of admission to the respective kinds of membership are given at the left of the names. To these dates are added, in parentheses, in the list of life members, the dates of admission to the Society as resident or correspondent members.

The present residences are given when known to us, or, otherwise the last known residences, or those at the time of admission. Corresponding members were, for a few years after the incorporation of the Society, elected within as well as without the limits of New England. The practice was soon abandoned, and now residents of New England are not constitutionally eligible as corresponding members, and the elections are also restricted to a small number.

## PREFACE.

---

ON the sixth of February, 1889, the Council of the NEW-ENGLAND HISTORIC GENEALOGICAL SOCIETY ordered that a Special Committee on the Rolls of Membership be appointed. The duty of this Committee was "to prepare complete lists, in chronological and alphabetical order, of the names of all persons that have ever been actually members of this Society." Messrs. George Kuhn Clarke, Henry H. Edes, and Frank E. Bradish were appointed as said Committee. At the close of a year Mr. Bradish retired, and Francis H. Brown, M.D., was appointed to fill the vacancy. This Committee held office till their final report was made to the Council, on the thirty-first of May, 1892, when the Committee was discharged. The Committee had compiled a list of the Resident, Honorary, and Corresponding Members from 1844 to 1891, which was put to press on the twentieth of May, 1892, and was issued soon after in a volume of 155 pages. A history of the Committee on the Rolls of Membership, with an account of the work done by them, is prefixed to that volume.

Thereupon the Council authorized the Publishing Committee to prepare and print a list of all the present Members of the Society. This task was committed by the Publishing Committee to two of its members, namely, Mr. Henry H. Edes and Francis H. Brown, M.D., who had both been members of the original Committee on the Rolls of Membership. The Publishing Committee for 1891-92, before their term closed, in September, 1892, had compiled and stereotyped the Rolls of present Members down to that date; but their work was not fully completed, as there were various questions to be solved, and the present residences of some of the Members had not been ascertained.

The duty of completing and printing the Rolls devolved on the Committee on Publication appointed on the twenty-seventh of September last. The work of completing the list to the close of the year 1892, and of correcting errors, has, at the request of the Committee, been performed by Mr. George Kuhn Clarke, the present Committee on the Rolls of Membership, who was Chairman of the original Committee. Messrs. Edes and Brown, in a Preface which they had prepared for the list, say: "This list includes the names of all persons who appear by the Rolls of Membership to have been Members on 20 May, 1892, and of those who have been elected Members during the current year. Deaths, resignations, and commutations of annual fees subsequent to 20 May, 1892, and deaths prior to that date, recently reported, are properly indicated. The present residences of Members are given as far as they have been ascertained. All places are in Massachusetts unless the contrary is stated. Villages and Post Offices are not recognized except those within the municipal limits of Boston."

<sup>1</sup> In the autumn of 1890 the Honorary Roll bore but six names, none having been added to it for more than four years, while only three names had been added during the preceding decade. The number of Honorary Members being out of all proportion to the number of Corresponding and Resident Members, the Society, at its Stated Meeting in October, transferred from the Corresponding Roll to the Honorary Roll the names of twelve gentlemen who were among those of its Fellows who had distinguished themselves in the department of History rather than in that of Genealogy.
